Pacific Ocean Fish			1		£100	<b>£125</b>		

Posie Paperweights	Int	Disc	Yrs	Low	High	Current Stock		
<p>In general these were produced using the left-over whiteware of paperweights discontinued in 1991. Quantity made depended on the level of whiteware available, but quantities were in general very small and therefore they ARE RARE. The Polar Bear was made using whiteware for a design that was never launched (although the shape has been used since). Many more of this piece were produced and is <i>relatively</i> common!</p>
